

MBI Worldwide Awarded National Contract with Premier Healthcare Alliance for Background Checks

MBI Worldwide, Inc. is one of only four recipients nationwide to currently hold a group purchasing contract for background checks with the Premier healthcare alliance

Herrin, IL (January 06, 2012) -- MBI Worldwide has been awarded a national group purchasing contract for background checks by the Premier healthcare alliance. MBI Worldwide was introduced to members as a national contract recipient on December 1, 2011. As a woman-owned company, MBI previously contracted with Premier's SEEDS™. (Sourcing Education and Enrichment for Diverse and Small Suppliers) program, a supplier diversity initiative aimed at increasing the number of small, diverse and regional enterprises doing business with members of the Premier alliance. The award of this national contract will offer lowered screening costs to Premier members.

MBI's long term experience servicing the healthcare industry, proven quality, great customer service and competitive pricing are all factors that led to the award of contract. MBI Worldwide joins the esteemed Premier ranks to serve as one of only four suppliers for these types of HR services. Services offered by MBI Worldwide include, but are not limited to, criminal history searches, credentialing, employment and education verifications, reference checks and drug screening.

Premier is one of the nation's largest healthcare alliances, dedicated to improving the performance of more than 2,500 U.S. hospitals and 80,000 other healthcare sites. Premier members join together to achieve high quality, cost-effective care. Vendors are chosen carefully and must meet the variety of membership needs. MBI offers the key components members seek all the while adding a unique level of personal service. "We feel blessed to have been awarded this opportunity and recognition by Premier," said Brian Chapman, Director of MBI Worldwide. "Our graduation from the S.E.E.D.S. program into the National Contract category solidifies this powerful partnership and allows us to provide more to the Premier membership."
