

MBI Worldwide receives FCRA Certification

Herrin, IL (August 12, 2011) – Midwest Backgrounds, Inc. DBA MBI Worldwide announces Jolene Chullen, VP of Operations, received the CDIA's (Consumer Data Industry Association) FCRA (Fair Credit Reporting Act) certification. This certification shows her thorough knowledge of both consumer rights and legal issues regarding compliance and standards.

Miss Chullen is one of the small numbers of people who possess this certification in the state and nation. "As an employment screening company you have to know how to protect your client and the consumer, I am so happy to help ensure we meet those needs", said Jolene Chullen.

About MBI Worldwide

Founded in 1998 by Kandi Chapman, MBI Worldwide has excelled in meeting the pre-employment and membership background needs of business and non-profit organizations, large and small. Over the years MBI Worldwide has developed a network of researchers that allow for the complete coverage of the United States. With prompt service, excellent customer service, and accurate results, MBI Worldwide is fast becoming one of the premier background search companies in the nation. MBI was awarded the "Best Customer Service" award from the *St. Louis Small Business Monthly*. MBI has over 1000 clients that range from 100 employees to over 250,000 employees.
